DECLARATION OF JAMES T. CHRISTY Case No. 5:20-cv-05799-LHK

I, James T. Christy, make the following Declaration pursuant to 28 U.S.C. § 1746, and state that under penalty of perjury the following is true and correct to the best of my knowledge and belief:

- This is my third declaration in this lawsuit. I am making this declaration in response to the Court's "Order re: Response to Allegation of Noncompliance with Preliminary Injunction."
- Since September 7, 2020, the Census Bureau field operations have been guided by the
 instructions transmitted to the field in the "Guidance for Field Managers related to
 Action Required following the 9/5 Court Order". I understand those guidelines have
 previously been provided to the Court. See ECF 86.
- 3. Following receipt of the Court's September 24, 2020, Preliminary Injunction, on Friday, September 25 at 3:23pm, I sent an email to all managers working on field operations at Headquarters and in the regions notifying them of our intent to comply with the Court's Preliminary Injunction. In that statement, I instructed them to "continue to conduct NonResponse FollowUp (NRFU) and other field operations as planned. We will provide further instructions and guidance as necessary."
- 4. At 1:53pm on Sunday, September 27, I was provided with the Order Re:

 Communications with the Court (ECF 214) regarding alleged violations of the preliminary injunction.
- 5. The information reflected in the communication referenced by the Court is not part of any instruction I have transmitted to the field, and not consistent with my understanding of what field offices should be doing. Upon receipt of the information provided to the Court and based on the references in that information to field activity in Texas, I contacted staff in the Dallas region to determine whether the information provided in the communication the Court referenced was accurate, and to determine why such information may have been transmitted.
- 6. I learned the Regional Director in Dallas sent a note to staff that referenced the September 30 end date at 8:12am Central time on Friday, 9/25. Specifically, she said
